

The experience and knowledge of current members, and their willingness to step up and make work whatever the task at hand.

2/16/2020 6:00 PMAdd tags –[View respondent's answers](#)

Large group of member with varied skills and equipment

2/11/2020 12:12 AMAdd tags –[View respondent's answers](#)

The ability to coalesce hams interested in EMCOMM

2/10/2020 3:50 PMAdd tags –[View respondent's answers](#)

Not sure.

2/10/2020 9:50 AMAdd tags –[View respondent's answers](#)

People willing to Help with their skills

2/10/2020 6:28 AMAdd tags –[View respondent's answers](#)

ARRL sponsored. Overall mission. International influence.

2/10/2020 6:26 AMAdd tags –[View respondent's answers](#)

A group of knowledgeable, eager volunteers ready to assist when needed.

2/9/2020 11:16 PMAdd tags –[View respondent's answers](#)

A general willingness by the members to respond to a Real World Emergency/Disaster Call.

2/9/2020 9:23 PMAdd tags –[View respondent's answers](#)

Trained Leadership

2/9/2020 9:08 PMAdd tags –[View respondent's answers](#)

Number of members

2/9/2020 8:53 PMAdd tags –[View respondent's answers](#)

Use local people to help with emergencies

2/9/2020 8:30 PMAdd tags –[View respondent's answers](#)

Organized state-wide within the ARRL framework

2/9/2020 8:02 PMAdd tags –[View respondent's answers](#)

Emergency service

2/9/2020 7:06 PMAdd tags –[View respondent's answers](#)

A place to practice

2/9/2020 7:06 PMAdd tags –[View respondent's answers](#)

The members willingness to band together.

2/9/2020 6:43 PMAdd tags –[View respondent's answers](#)

Access to a comms technology that does not require infrastructure

2/9/2020 5:31 PMAdd tags -[View respondent's answers](#)

Opportunities to be trained, either in the field at events or by documentation. There is also a lot of public safety employment experience within the ranks.

2/9/2020 4:54 PMAdd tags -[View respondent's answers](#)

The greatest strength is the core of voluntary HAM radio operators that are prepared to give their time, skills and equipment to give back to the community.

2/9/2020 2:23 PMAdd tags -[View respondent's answers](#)

Volunteers

2/9/2020 1:08 PMAdd tags -[View respondent's answers](#)

The availability of a large number of radio amateur volunteers.

2/9/2020 12:04 PMAdd tags -[View respondent's answers](#)

The linked repeater systems and our connection to the state DMR network

2/9/2020 11:47 AMAdd tags -[View respondent's answers](#)

Brings together amateur radio community.

2/9/2020 10:05 AMAdd tags -[View respondent's answers](#)

Mike's commitment and even handed leadership

2/9/2020 9:35 AMAdd tags -[View respondent's answers](#)

Trained communicators in case of emergency

2/9/2020 7:53 AMAdd tags -[View respondent's answers](#)

Coordinating the various towns.

2/8/2020 11:49 PMAdd tags -[View respondent's answers](#)

Its members

2/8/2020 9:02 PMAdd tags -[View respondent's answers](#)

The volunteers and their desire to serve the community both in times of peace by providing communications support for civic events in the community and preparedness for future emergency events

2/8/2020 4:32 PMAdd tags -[View respondent's answers](#)

A lot of people who would participate if they believed there was a true need.

2/8/2020 4:24 PMAdd tags -[View respondent's answers](#)

Ham Radio Technical Skills Community Minded

2/8/2020 4:14 PMAdd tags -[View respondent's answers](#)

Ham frequencies and volunteers

2/8/2020 3:48 PMAdd tags –[View respondent's answers](#)

A very robust statewide DMR system and VHF Winlink network.

2/8/2020 3:02 PMAdd tags –[View respondent's answers](#)

Long term active members

2/8/2020 2:15 PMAdd tags –[View respondent's answers](#)

Communication

2/8/2020 1:15 PMAdd tags –[View respondent's answers](#)

Large group distributed throughout the state.

2/8/2020 12:47 PMAdd tags –[View respondent's answers](#)

Its widely dispersed corps of volunteer technicians and operators who recognize and participate within the ARES structure.

2/8/2020 12:46 PMAdd tags –[View respondent's answers](#)

Cooperative VHF/UHF repeater networks as well as Digital networks. Enthusiastic volunteers.

2/8/2020 12:28 PMAdd tags –[View respondent's answers](#)

Ability to set up two way radio communications anywhere

2/8/2020 12:15 PMAdd tags –[View respondent's answers](#)

Connectivity with other operators

2/8/2020 11:56 AMAdd tags –[View respondent's answers](#)

Readiness and adaptability

2/8/2020 11:50 AMAdd tags –[View respondent's answers](#)

Networking hams with a common interest to serve their community through emergency preparedness. The weekly on-air nets encourage participants to regularly check their equipment and hear about upcoming activities.

2/8/2020 11:45 AMAdd tags –[View respondent's answers](#)

A network of trained amateur radio operators prepared to step in should an emergency occur that requires grid-independent communication services

2/8/2020 11:24 AMAdd tags –[View respondent's answers](#)

Ability to come together for emergencies.

2/8/2020 11:05 AMAdd tags –[View respondent's answers](#)

I do not see strength in ARES Connecticut. We are form without substance. We have no clear served community, beginning at the State, that substantively supports us and gives credibility to our mission. Sid Gale, N1MVM

2/8/2020 11:01 AMAdd tags –[View respondent's answers](#)

More Workshop/ "in person" meetings. Maybe even a "bring a friend" gathering to strengthen membership.

2/8/2020 10:58 AM Add tags - [View respondent's answers](#)

It is part of a larger organization. This allows members to believe they are part of a national network, contributing to our national preparedness for emergencies. Also, to belong to a group with a purpose to help the community. In theory, the CT ARES group should be able to use the national framework to seamlessly apply best practices to its local organization

2/8/2020 10:34 AM Add tags - [View respondent's answers](#)

Meeting closer to Stamford CT

2/8/2020 10:28 AM Add tags - [View respondent's answers](#)

Centralized database of participants with capabilities tracked

2/8/2020 10:26 AM Add tags - [View respondent's answers](#)

I don't know

2/8/2020 10:24 AM Add tags - [View respondent's answers](#)

Operator participation

2/8/2020 10:18 AM Add tags - [View respondent's answers](#)

Working organization

2/8/2020 10:15 AM Add tags - [View respondent's answers](#)

There seems to be a large group of amateurs who want to learn to serve their communities. Some regions have more participation than others but we seem to have a good group.

2/8/2020 9:50 AM Add tags - [View respondent's answers](#)

Ability to communicate in an emergency

2/8/2020 9:45 AM Add tags - [View respondent's answers](#)

emergency-event response

2/8/2020 9:20 AM Add tags - [View respondent's answers](#)

Good leadership.
